

Hello, Greetings from 【住んでいる都市】 , Japan!

I am 【名前】 , 【年齢】 years old, my nationality is Japanese.

I got the admission from 【大学】 for this winter intake.

I will be a master's student and My major is 【選考科目または学部名】 .

I am hoping to start living in 【住みたい都市の名前】 from this September and I'm looking for a room.

I would like to live in your accommodation for long period. (Max 2 years)

【My hobby is riding and cleaning my bicycle, playing tennis and swimming.

I am confident in my ability to keep the room and objects clean and to work on something patiently.

In addition, I am good at cooking as I currently live alone. Especially Japanese and chinese food.

I have a high interest in cooking with my roommates.】 ←趣味に関して

【I am not a smoker.

I have experience living in a Japanese university dormitory and can be flexible regarding housing rules and manners towards sharemates.】 ←その他の情報

I can speak English and have enough savings to stay for two years so, I will never bother you about payment.

If proof of payment is required, I will provide a proof of balance as I will be creating a closed account.

If you are interested in this message, please contact me. I hope that I have a great time with you.

Thank you for your time and cooperation.
